

The Bolton Scholarship Fund

Investing in the future...

The Fred Audette Memorial Scholarship

Established 2020

Fred Audette taught in the Bolton School System for over 35 years from 1969 - 2005, enriching students in History, Geography, and Social Studies. A resident of Bolton, "Mr. A" also coached softball and taught his two children Corry and Joseph through 7th and 8th grades - they were his best students. :) A lifelong educator, he started every class with "questions or comments?" highlighting his commitment to not just teaching the coursework, but also educating his students about life. Other popular lessons imparted on his students include the Ladder of Success, the Pygmy Story, and Roots.

Mr. A would always say "an education is what you make of it." That's true, but it always helps to have more teachers that love their students as much as Fred Audette did.

The Fred Audette Memorial Scholarship Fund has been established in his memory by the Audette family. The scholarship honors the legacy of "Mr. A" by supporting others looking to become teachers. It will award a scholarship annually to a graduating Bolton High School senior who is committed to pursuing a career in education

The world needs more teachers like Mr. A.
