Investing in the future...

Chris Goldsnider Memorial Scholarship

Established 2024

Chris loved, cared, taught, and lead with a passion. There was never a burden too big for him to bear and the love he gave was plentiful. He was a rock to those closest to him and a friend to all. Chris loved to play the guitar and could watch a YouTube video and play by ear. This scholarship is awarded to a fellow music lover. Continue to find joy in music and those around you.
