MMNT Foundation Accounting Scholarship

Established 2017

The MMNT Foundation was established in 2015 by MMNT, Certified Public Accountants. The accounting firm has been in business for over 30 years, the last 15 based in Manchester. The firm's three partners believe in giving back to their communities and hold various positions on boards, committees and networking groups in the area.

The MMNT Foundation's purpose is to provide support to the communities where we work and/or reside as well as for causes where we feel there is need. The Foundation's annual fund raising event, Beards and Beers 5k, takes place on the 2nd Saturday in November.
