Angela M. Uriano Memorial Scholarship

Established 2023

Angela was fun, fiercely loyal, loved life, and lived it to the fullest. She seized every opportunity to learn, experience new things, and travel near and far. Angela loved her friends and family unconditionally and without judgment. She always fought for what is right and just, and she always had your back. Her array of friendships, many of them spanning a lifetime, showed just how much Angela deeply cared about people. She also enjoyed music, movies, and the Red Sox. She was proud of her career, especially her time in IT, and enjoyed working hard every day. But spending time with her husband and daughter is what Angela liked best.

Angela Marie Diliberto Uriano will be missed, but never forgotten. This scholarship is awarded in Angela's memory by her family and friends who loved her and will miss her deeply.
