Leon Christiana Memorial Scholarship

Established 2022

Leon was the loving husband of Suzan Christiana. Suzan worked for the Bolton Public Schools for decades and loved her work in the BHS Guidance Office.

Leon enlisted and served in the US Army from 1964 – 1966 as an Airplane Repairman in Vietnam. During his time in the Army, he received numerous medals including Expert Badge (M-14 Rifle), Armed Forces Expeditionary Medal, National Defense Service Medal, and the Aircraft Crewman Badge.

Leon was proud of his country and was honored to have served. He passed along his love and devotion for the USA to his children. Leon spent his lifetime helping those in need and had a great heart for the missions. He loved the ocean and the Maine coast. He loved to travel and always had a camera in his hand. His love of photography began while in Vietnam and was inspired by his friend, John Kruggel. He loved old cars, aircraft, woodworking, and especially American History.

This scholarship honors Leon's legacy and Suzan's dedication to high school students by supporting you in your continuing education.
