

The Bolton Scholarship Fund

Investing in the future...

Robert William Miner Memorial Scholarship Established 2012

May 11, 1981 - July 22, 2011

Bobby was raised in Bolton. He was a graduate of Bolton High School class of 2000. Bobby enjoyed working on the Pesce's farm after school and thru the summers starting at the young age of 10. He was also a former member and EMT of the Bolton Volunteer Fire Department. After graduating high school, Bobby attended Worcester Polytechnic Institute, receiving his Bachelor of Science degree in mechanical engineering and his Master of Science degree in fire protection engineering. After college Bobby worked for Hughes Associates in Rhode Island as a fire protection engineer. He always had strong work ethics.

On June 30, 2007 Bobby and his high school sweetheart, Natalia Ripp, were married. On September 3, 2009 their daughter Olivia was born. Bobby loved his family, friends and Bolton. He touched many lives in his far too short lifetime.
