

The Bolton Scholarship Fund

Investing in the future...

Teller Family U.S. History and Government Scholarship

Established 1996

Sam and Joan Teller are long-standing residents of Bolton. Their three sons all graduated from Bolton High School. Their fondness for Bolton High School, coupled with their reverence for the U.S. Constitution, motivated the establishment of this scholarship. It is their hope that the recipient, displaying excellence in the study of US. History, share these feelings.
